As we get into the warmer sunnier times of the season, our small, scaley friends also like to come out. So be careful when venturing the beautiful bush land. We recommend that during these warmer months, if you have a pet, to keep them on short leads for safety reasons.

**Petruador Rocks** – This is a great hotspot to check out this season. The rain has filled the rock pools and the entire location is green and gold. There isn't too many orchid sightings as we move into the later time in the season but there is still the full carpets of everlastings outlining the edge of the rock formations.

When exploring this area, we strongly advise you to watch your step near the wet rocks as they can be slippery.

**Wubin Rocks** – There is small patches of the everlasting carpets scattered through out this area. The wattle trees are full of colour which only adds to the scenery at Wubin Rocks. Located only 27kms north-east of Dalwallinu, this spot is also a free self-sufficient camp.

In the Wubin town, there is the **Wubin Museum**. The Volunteers and community that have put this together have done an amazing job preserving and displaying the shires history.

**The Old Well** – Located here in the town of Dalwallinu, the Old Well is good little historical sight with a handful of little tracks going throughout some bushland that is home to bee orchids, donkey orchids, waltzia, wattle and everlastings which are all in bloom.

Shire maps are free and available to help guide you through. These can be collected from the Discovery Centre.

**Buntine Rocks** – Another location that is good for an overnight stay, picnic or scenic walk. The road to Buntine is good for any vehicle. There is a sign that indicates "no caravans past this point" and from then onwards it is advised that AWD or 4WD are the only vehicles to go on.

**Mia Moon** – This location is home to bee orchids, donkey orchids, sun orchids, sundews or rainbows, narrow leaf squill, wattle and carpets of everlastings.

Mia Moon can either be a self-guided drive or walk through on tracks there. The land there is covered in colour. This is also a self sufficient camp site. Please ensure that you take your rubbish away with you. The shire provides free biodegradable bags that you can take with you and help Keep Australia Beautiful. These bags can be collected from the Dalwallinu Discovery Centre.

Wildflowers at Mia Moon can be found on both sides of the road but the better bunch of orchids and flowers to see will be located on the left side of the road if you're travelling west on Nugadong West Road.

## Dalwallinu Shire September 2024 Wildflower Report

**Jibberding Reserve** – Travelling north on the Great Northern Highway, located only 43kms out of town, Jibberding Reserve has an abundance of everlastings. As far as the eye can see, there is a rainbow of everlastings.

Jibberding Reserve can either be a self-guided drive or walk through on tracks there. The land there is covered in colour. This is also a self sufficient camp site.

**Wasley Road** – Home to our BLOOMING wreath flowers. There is currently 7+ wreath flowers located a couple kms up the road ready for you to take their picture.

Emergency situations along with other Shire notices.

The survey which will help to review the Shire's Strategic Community Plan has been out for completion for several weeks. The survey has been advertised on our Facebook page and website and hard copies are available to complete at the Shire Administration Centre. Closing date for the surveys is 30 September 2024.

Locals would have noticed that we recently demolished the house situated on 68 Annetts Rd. The Shire is in need of additional housing and with the lack of land, and the costs involved to renovate the house on that site, Council agreed to demolish and construct 2 new modular homes. In addition, at the rear will be a 2x1 Emergency Accommodation which was funded by DFES. Whilst some have expressed their disappointment, this will be a positive outcome as we will have additional housing available.

Just a reminder that if anyone has any questions about projects that the Shire are undertaking please give us a call at the Shire Admin Centre and we will be more than happy to provide the information.

The Shire will be holding an extraordinary election on Saturday 9 November 2024. Nominations will open on 26 September 2024 and close on 3 October 2024. The term of office will expire in October 2025.

Unfortunately, due to the number of events that were being held on Saturday 7 September 2024, we have postponed our 'Community Celebration Day' to Saturday 15 March 2025. Mark this 'free' event into your calendar.

On behalf of the Shire of Dalwallinu Staff, I wish to pass on my deepest sympathies to Kathy Mills and family on the passing of Cr Noel Mills. Cr Mills was a respected Councillor and friend to many of the staff. We will miss him greatly.

Spring is here and the wildflowers look amazing. The town has been full of tourists and of course the locals enjoying blooming Dalwallinu!

The civil works for the new residential subdivision are close to completion. The contractors will shortly be commencing the industrial land expansion. These lots will be marketed by DevelopmentWA in the coming months. They hope to have titles issued by January 2025. Once we hear anything we will share it with the community, as we know these lots are in high demand.

Congratulations to the Dalwallinu Ag Society on their 100th Show on 17 August 2024. Unfortunately, the weather was a little unkind to host a show but warmly received by farmers, but it didn't dampen the spirits too much.

The new LED Noticeboard has been installed on Johnston Street. This was funded by the Department Fire & Emergency Services. This will enable us to advertise in

SHIRE PRESIDENT Keith Carter

## A Word from the Shire President

At the council meeting just a week or so earlier he was his usual questioning, jovial self.

Cr Mills has given eleven years of invaluable service as a councillor for Dalwallinu District.

Noel had a wide range of interests and brought a wealth of knowledge and experience to council discussion having served on many committees over a life spent working for a better community.

Commiserations to his family and friends. The turnout for the funeral showed how well respected Noel was.

Congratulations to the Dalwallinu Hockey ladies on a great win in the Grand Final at Goomalling.

It is always good to bring home some more silverware.

Nice to see the crops looking so good on our return from overseas. A few more weeks of cool weather should see CBH fill up all that empty storage. Hopefully the price should hold up. We did notice a lot of hectares of unharvested corn and sunflower in Hungary.

I would encourage anybody considering nominating for the vacancy on council to give it a shot.

Serving as a Councillor is a most rewarding position and technology and staff are reducing the amount of time away from work. Talk to a councillor to get an idea of what is involved.

When I received the news informing me of the passing of Cr Noel Mills I was both shocked and saddened.

## Capital Projects 2024 -2025

## **Vale - Cr Noel Mills**

It is with sadness that we share the news of the passing of Noel Mills, Councillor at the Shire of Dalwallinu.

Noel was first elected to the Shire of Dalwallinu in 2013. He was involved in many Council committees during his time on Council. His loud voice and laughter will be missed by all of us in the Council Chambers.

He was a valuable member of Council, always willing to support projects for the betterment of the community. He was a tireless volunteer for many years in the Shire and his efforts do not go unappreciated.

On behalf of the Shire of Dalwallinu, we extend our deepest sympathies to Noel's family and friends.

- There can only be ONE email address for each notice.
- If there is more than one owner of the property and other owner/s apply to receive an electronic notice, the eRates system will by default send the notice to the last registered email address.
- Once the registration is processed by the rates officer, you will receive a confirmation email.

### Are you eligible for a Rates Concession?

If you hold one of the following concession cards, own and occupy a rated property within the Shire you may be eligible for a concession on your annual rates. Not applicable to properties used for commercial purposes including rural properties.

The Shire of Dalwallinu offer licensing facilities on behalf of the Department of Transport. The licensing hours are set by the Department of Transport.

Please ensure you attend the offices early and allow adequate time for processing of your paperwork as the Department of Transport Licensing computers close at 4pm.

## Are you a Responsible Pet Owner?

The Cat laws are about encouraging responsible pet ownership and reducing the number of unwanted cats in the community and the number that are euthanised each year. All cats that have reached six months of age are required by law to be:

- micro-chipped
- sterilised; and
- registered with the Shire

Under The Dog Act 1976 and regulations, any dog over the age of 3 months should be registered within the Shire. All dogs need to be micro-chipped. Proof of micro-chipping is required at time of registration.

Please be a responsible owner and secure your animals by registration. Legislation applies to Cats after six months of age and Dogs after 3 months. Registrations are due on 31 October each year.

Please don't risk losing your precious pets by not having them registered. Call into the Shire and make sure your animals are safe.

## Have you updated your details with the Shire?

Have you

- Moved House
- Changed your Phone Number
- Changed your Email Address
- Had a pet pass away
- Changed your Postal Address
- Decided you would like to receive the Newsletter electronically

If so, please take 5 minutes to advise the Shire of these changes? Failure to advise the Shire of change of details may result in you incurring a penalty for a non-payment of rates or fees.

The onus is on the ratepayer to ensure their details are correct. You can use the simple Change of Details form available on our website.

<https://www.dalwallinu.wa.gov.au/contact-us/change-of-details.aspx>

Have you recently had your landline disconnected? Please advise the Shire in writing of your correct contact status so that we may update our records. An email is sufficient. Please email to [Shire@dalwallinu.wa.gov.au](mailto:Shire@dalwallinu.wa.gov.au).

# Kochii Eucalyptus Oil has rebranded to become Fasera.

## We've changed our name, not our vision.

At the same time we've been producing incomparable Australian eucalyptus oils, we've also been building our position as a global leader in sustainable agricultural carbon sequestration.

Now, operating as Fasera, we produce carbon credits, biochar, wood vinegar and eucalyptus oil via our carefully selected and managed estates of oil mallee trees on land owned by local farmers. Whilst we are changing and expanding, our roots remain firmly in Kalannie, the wheatbelt and Western Australia.

# Sheep and goat electronic identification (eID)

## Consultation on regulatory amendments to enable the transition to mandatory sheep and goat eID in Western Australia

In 2022, all Australian Agriculture Ministers agreed to support a national transition from visual tagging to electronic identification (eID) of sheep and goats to improve traceability.

The National Livestock Identification System (NLIS) visual tagging system for sheep and goats will be phased out from 1 January 2025 in Western Australia, with full adoption of mandatory eID to be achieved by 1 July 2026.

In order to implement eID in WA, the current **Biosecurity and Agriculture Management (Identification and Movement of Stock And Apiaries) Regulations 2013** (the Regulations) must be amended.

- The background and amendments are summarised in the **consultation paper**.
- You can read the full version of the draft Regulations in the **consultation draft**.

### Have your say

We are now seeking your feedback on the amended Regulations.

**Noting that sheep and goat eID is a nationally agreed objective, this consultation will only consider feedback relevant to the proposed amendments. It is strongly recommended to read the consultation paper and the consultation frequently asked questions (FAQs) so it is clear what is in scope.**

## Get Outside for Mental Health this Outdoors October

1-31 October 2024

Outdoors October is an annual campaign run by Outdoors WA in partnership with the Department of Local Government, Sport and Cultural Industries, designed to encourage more people to get active outdoors, creating new habits and supporting the growth of the outdoor industry.

Global research proves that getting out into nature is amazing for both your mental and physical health, so this year's theme for Outdoors October is: "Get outside for mental health".

We've created a host of opportunities for promoting the outdoor industry in Outdoors October 2024. Here's how you can get your organisation & community involved:

### 1 Join the "Outdoors October Virtual Hike Challenge"

- We've teamed up with the Bibbulmun Track Foundation to create the "Outdoors October Virtual Hike Challenge"
- Using the Challenge app, you can track your activities in October from your phone or watch and see your virtual progress along the Track.
- Walk, run, ride, swim or even paddle. Do it with friends, a work team or on your own.
- And put your work to great use by raising money for mental health charity of your choice
- Encourage your communities to get involved & register to join now: [Outdoors October](#)

### 2 Register Your Events Now

- If you are running an event in October, tell us about it!
- We'll be promoting the Outdoors October website actively through the month to help the community find new activities.
- You can upload your event here: [Submit an Event](#)

### 3 Get Social!

- We'll be active on Instagram, Facebook and LinkedIn sharing the calendar of activities and promoting your events too.
- Please use the #hashtags #OutdoorsOctober and #OutdoorsWA in your posts.
- You can also download some social templates [here](#)
