BOOTSCOOTING IN KALANNIE

What a great turnout for the bootscooting on Saturday! The Kalannie CRC was happy to support the Kalannie Sports Club as they hosted a bootscooting class. Instructors Jo and Kylie drove all the way from Geraldton to teach everyone a few different bootscooting steps and multiple routines. It was a lot of fun and pretty hard work. Well done to everyone who took part and managed to keep up. Huge thanks to Caroline for organising the event and putting on some delicious food as well ! Hopefully we see the bootscooting classes remain and continue on so more people in the community can join in on the fun.

Thank you to the main sponsors of this event, FRRR and Nutrien Ag Solutions. It is through their community grant funding program that supports small regional towns that makes events like this possible.

Kochii Eucalyptus Oil has rebranded to become Fasera.

We've changed our name, not our vision.

At the same time we've been producing incomparable Australian eucalyptus oils, we've also been building our position as a global leader in sustainable agricultural carbon sequestration.

Now, operating as Fasera, we produce carbon credits, biochar, wood vinegar and eucalyptus oil via our carefully selected and managed estates of oil mallee trees on land owned by local farmers. Whilst we are changing and expanding, our roots remain firmly in Kalannie, the wheatbelt and Western Australia.

APRIL 2025

Community Celebration Day

On Saturday 15 March the Shire hosted a successful Community Celebration Day at the Dalwallinu Recreation Centre.

The Shire were able to host this function with assistance from grant funding from the Australian Government in partnership with the Foundation for Rural and Regional Renewal. A very worthwhile endeavour which was a hit with the locals.

Gates opened from 4pm with children's activities until 8pm. There were numerous bouncy castles and slides, facepainting, oversize tennis and miniature bouncy animals. There was something for everyone and it was all provided free.

The bar was open from 5pm and live music was performed from 7pm until 10 by Ricky Green.

The shire staff were on hand to prepare and cook the burgers, hot dogs, chicken rolls, sausage rolls and pies, all of which was provided free.

ANZAC Day 2025 Dawn Service & Gunfire Breakfast

ANZAC Day is a National Day of Remembrance in Australia and New Zealand.

It is celebrated on 25 April every year by both countries.

It is to honour the members of the Australian and New Zealand Army Corps (ANZAC's) who fought at Gallipoli in the Ottoman Empire during World War I.

It now celebrates all those who served and died in military operations for their countries.

The Shire warmly invites you to congregate and honour these servicemen and women at the Dawn Service in Memorial Park.

CEO Chit Chat

Thank you to the Community for coming along and enjoying the free food and entertainment provided by the Shire and partially funded by FRRR. The day was a great success, and we hope to continue with this every couple of years. A very big thank you to the Shire staff that assisted on the day. Without your help this event would not have gone off so smoothly.

The long-awaited release of both the residential and industrial subdivisions undertaken by DevelopmentWA were released for sale on 2 April 2025. These lots will sell quickly so if you are interested, please contact Brad King at Harcourt Nutrien.

We are pleased to advise that Christie Andrews is now a qualified Infant Swim Teacher. We look forward to holding Infant Swim Classes next pool season. Keep an eye out on our Social Media for further information on these classes along with the Aquafit program.

I will be attending Moora Courthouse next week to be sworn in as a Justice of the Peace. If you require any documents to be witnessed, please do not hesitate to call into the Shire Admin Centre.

This month we will be having our Council Meeting in Kalannie and it will be followed by the Annual Community Meeting. We look forward to Kalannie residents and ratepayers joining us.

At our April Toolbox meeting we will be acknowledging some employees for their service to the Shire:

- Dave Hughes
25 years in January 2025
- Steve Brindley
5 years in March 2025
- Greg Rodan
35 years in May 2025
- Tyran Herron
10 years in June 2025.

Congratulations to these employees on achieving these milestones.

CHIEF EXECUTIVE OFFICER, Jean Knight

Not too much to report this month as I had a short break to go to Victoria to see my grandson.

Just a reminder to the community to follow the Shire of Dalwallinu Facebook page.

We do advertise on our website and in the TL and Kapers, however the easiest way to follow any news from the Shire is to follow our page.

KALANNIE COMMUNITY MEETING

Tuesday 22 April 2025

5:00pm

Kalannie Sport & Recreation Club

Place of wheat and wattle....

A Word from the Shire President

Student Immersion Program

In March the Shire and community hosted a group of medical students to our area.

This is a program that gives the students a short experience of country living. Of the 17 students only one had a country background so this program serves a very important role. If just one student is encouraged to work in the country our efforts will be rewarded.

The 3 days wouldn't happen without a big effort from shire staff and community members. The organisation mostly falls on EA Deb Whitehead's desk and now in our third year, this is running very smoothly. A big thank you to Deb.

The students are billeted out with families around Dalwallinu and a huge thank you to all those families who volunteered to provide accommodation.

Once again I must thank Gary Butcher for driving the bus to all points of the Shire. Gary does a great job and keeps the students alert by asking questions about places visited to check they are paying attention.

This year we had our final evening and farewell at the Dalwallinu Sports Club. It went very well. Despite

the heavy rainfall Marc, Julie, Lucas and Steven cooked a great barbecue. Also thanks to Hanna, Deb, and Kiera for getting the meal ready and Megan for the beautiful scones and dessert over the 3 days.

Also thank you to Jeff Cream behind the bar, the Dally Bowls Club for the use of their facility and Nutrien Ag for donating some of the drinks on the evening. The students had a great time.

Community Celebration day

The community celebration on Saturday 15th was well attended and everyone having an enjoyable time at Recreation centre. Fortunately the weather was not too hot.

In the evening the bar was open and entertainment was provided by Ricky Green singing and playing the guitar. He had a wide variety of songs and was well appreciated.

Well done Jean, Angella, Christie, Hanna, and Sheree in the kitchen. The burgers were terrific. Also thanks to Marc and Julie for keeping people hydrated serving at the bar.

Roadworks

Thanks to MWS Marc and his crew for coming up with a solution for the intersection of Wubin East road and Great Northern Highway. This

To the Community of Dalwallinu for turning out to celebrate and enjoy the Community Day hosted by the Shire. It was great to see the many happy faces enjoying a wonderful day with something for everyone.

Also to the Shire staff who were in attendance serving the Community to keep them fed and hydrated. Great job by everyone.

Cr Keith Carter, SHIRE PRESIDENT

has been a traffic hazard for many years and getting worse as trucks get longer. It was particularly bad during the grain harvest period. Hopefully this will be a success.

Also Cousins Rd looks great and the recent thunderstorm tested out the new drainage here and on Leahy St.

Richardson Park

Congratulations to Holly and the Dalwallinu CWA ladies on the opening of the new shade structure in Richardson Park. It looks great and should get lots of use in the summer months providing shade and shelter in winter if wet or windy.

EXPRESSION OF INTEREST

INDEPENDENT MEMBERS (2) FOR AUDIT, RISK AND IMPROVEMENT COMMITTEE

The Shire of Dalwallinu invites expression of interest for experienced professionals to join its Audit, Risk and Improvement Committee as Independent Members, in the positions of Presiding Member and Deputy Presiding Member. This committee supports the Shire in fulfilling its responsibilities for oversight in areas such as internal and external audits, financial reporting and risk management in compliance with the Local Government Act 1995 and associated regulations.

Successful candidate will need to have demonstrated understanding and experience in Financial Management and need to have strong leadership skills to guide committee discussions.

The Audit, Risk and Improvement Committee meets at least three (3) times per year. The role includes remuneration aligned by the Salaries and Allowances Tribunal for band 3 local governments and determined as per the Shire's annual budget. Reimbursement is available of expenses for travel and training if applicable.

For any other information regarding the position please contact Mrs Hanna Jolly, Manager Corporate Services on 9661 0500.

Applications, including a current resume and a statement of interest, should be sent to Mrs Jean Knight, Chief Executive Officer, Shire of Dalwallinu, PO Box 141, Dalwallinu, WA 6609 or by email ceo@dalwallinu.wa.gov.au marked "Private and Confidential – Independent Members for Audit, Risk and Improvement Committee" by 4.00pm, Thursday 24 April 2025.

Student Immersion Program 2025

This year we had 17 students visit the Dalwallinu Shire as part of the joint venture with Shire of Dalwallinu, Rural Health West and Curtin University. This is the third year the Shire has participated in the program and from all reports the students appear to be gaining the exposure that the program is aimed at.

We had a total of 3 students this year we said they would definitely be considering a rural placement when they completed their studies. If only one student per year took the opportunity to live and work in a rural or remote area then this program would be a success.

We appreciate the way the students and their support team wholeheartedly threw themselves into the community. This year we aimed to finish our week with a game of bowls and a bbq dinner at the Bowling Club.

Unfortunately the weather did not cooperate as the heavens opened up just as the people were arriving at the club. The bbq proceeded (albeit with the cooks hanging out the window from inside the building) and the evening was a great finish to a successful week.

We would like to thank all the host families this year, Ben & Kirsten Strickland, Irene Mills, Gary & Kerry Butcher, Jane & Harry Hyde, Tash & Aaron Mills, Di & Jeff Cream, Heidi & Geln Carlshausen, Jude & Alan Barnes, Abbie & Will Roach and Emma & Brad mcllroy. Without the host families this venture would not be possible.

We also would like to acknowledge the support of our businesses who so very kindly host our students to educate them on the merits of country life, Shermac, Liebe Group, Dalwallinu Hospital, Dr Femi, Badamia Bandi Barma, Wubin Wheatbin Museum, St John Ambulance, Dalwallinu Fire Brigade, Wendy and Rob Sawyer, Nutrien Ag and Dalwallinu District High School.

Our Shire staff also contribute to this venture and thank you to Jean, Deb, Kiera, Hanna, Megan and Marc. A thank you to Keith, Steven, Jules & Lucas who also assisted at the Thank You dinner.

We would like to thank Gary and Kerry Butcher and Nutrien Ag for their kind financial donations towards this program and to thank our very exceptional driver volunteer Gary Butcher. He not only drives our students for the four days, he educates them on all things 'country'. We look forward to another successful year in 2026. If you think you would be interested in becoming a 'host family' please contact Deb at the Shire on ea@dalwallinu.wa.gov.au.

Student Immersion Program - The Host's Perspective

This year we asked both the students and the host families to give us a few lines about their experiences with the Student Immersion Program. Here are some of the extracts from the host families.

Aaron & Tash Mills - We had the opportunity of hosting another Medical Student this year. Our young Dr was very enthusiastic, polite and asked many questions about rural living. It's a good opportunity to connect with future doctors and getting them to connect with rural life. Hopefully we can inspire them to give back in some way to rural communities.

Abbie & Will Roach - It was a privilege to be able to host Nouvelle and Gubek as part of the recent Rural Immersion Program. We learnt about the processes involved in studying to be a Doctor, and enjoyed showing off the many attractions of life in Dalwallinu. A fantastic initiative to get Doctors to the country.

Di & Jeff Cream - Jeff and I had the privilege of hosting another wonderful student. Once again, our student was very interested in what our town had to offer. She was very keen in working in the country.

Gary & Kerry Butcher - Hosting the student doctors reminds us of the qualities of our chosen lifestyle and the value we place on belonging to our community. One day in the future it would be great if the value country communities have given these students will result in more rural GP placements.

Heidi & Geln Carlshausen - We decided to host students this year as we wanted to give them the opportunity to see our town and give an insight to rural living. I was impressed by the students eagerness to learn what/how/why we do things, and the dedication to their learning. Seeing our town through their eyes reminded me how lucky we are to live here.

Irene Mills - I believe the impact of hosting medical students is a sharing life experiences for us both with a vision for the future. As always, having a young positive and enthusiastic student is a rewarding experience, rural life, medicine, technology, and agriculture, the differences, and the sameness, together with living in the country v's metro, with the added advantage of being able to see the stars at night twinkling brightly. A rewarding experience for us both, I would encourage others to volunteer as a host family, you never regret it.

Jude & Alan Barnes - My husband and I were happy to host two young Medical Students. The young men were enthusiastic and grateful for the opportunity. Rural areas need medical staff. So It is important to step up and help showcase our town. The event helps remind us of our strengths as a connected community.

This is from a student's perspective.

Wai Tsun Chan - Sirens, buses, and motor bikes. These are my alarms every morning when I lived in Perth. But during my stay in Dalwallinu, I have the delight of having white cockatoos greet me every morning. The chirps of cockatoos have made me appreciate the beauty of nature and I felt more in tune with the sounds, smell, and sight of nature. As a parting gift, Dalwallinu revealed the starry night sky filled with stars despite the stormy day. I am so blessed.

A warm loving hug. That is what I would describe Dalwallinu. The kindness, openness and love I felt from everyone I met was overwhelming during my short stay in Dally. The care for each other in the small community and visitors is indescribable. Dalwallinu have shown me humanity that I haven't seen in years. Dalwallinu have healed my social and emotional scars. I hope one day I can come back as a doctor to care, love, and heal the people of Dally as Dally have done for me this trip. - Wai Tsun Chan Thank you again for the amazing week. I have learnt so much and felt so much love.

Citizenship Ceremony - Tuesday 25 March 2025

On Tuesday 25 March we held our second Citizenship Ceremony for 2025. The ceremony was held at the DDC and the room looked very festive with Australian flags flying everywhere. It is lovely to witness whole families taking their pledges together. In attendance were Cr Jemma Counsel, Cr Di Cream, Cr Shannon Dawson, Mr Graham Sanderson (Freeman of the Shire) and his wife Joy, families and friends of the new citizens and staff of the Shire. After the pledges Mr Esterey Apit and Mrs Ellainenor Ofiazia said a few emotional words before Shire President Keith Carter concluded the ceremony. The ceremony was followed by a very Australian afternoon tea of pies and meringues.

Youth Advisory Council - Movie Night

The Youth Advisory Council (YAC) hosted an outdoor movie night for our local year 7-12 students watching Despicable Me 4.

The Shire provided the equipment along with the ingredients for our YAC to make and hand out fresh popcorn straight to the audience.

The YAC group came together planned the night, handed out flyers at the school, brought and set up all of the movie equipment. Students from the school came around with their picnic rugs, blankets, favourite snacks and friends to enjoy the movie!

With the turn out we got we are hoping to make this a more regular event which will be open to more students and their families.

Library News

The Dalwallinu Public Library is excited to show you that we have two new and exciting feature sections to check out! This will change every month or every second month, so keep an eye out for what will be featured next. These feature sections are to show our readers what different and interesting content we have available here at our public library.

This month we have “Read A Good Movie Lately?” which is a selection of great books that have been turned into a movie. This is a great way to compare what some incredible authors wrote and how the movie world turned the words written into something visual to enjoy. Did you know that some of the best and most well-known movies have come from a book?

The second feature section that we have for this month is “Dying For A Mystery”. This shows some of the best crime and mystery novels. If you love a good page turner, suspense packed and thrilling book then this is the section for you to check out!

Building & Planning Assistance - Retaining Walls

What are Retaining Walls?

A retaining wall is a wall or structure that is designed and constructed to support soil at a slope that cannot naturally be supported. Each landowner has an obligation to retain soil where alteration to ground levels occur on or near their property.

Adjoining owners who have both undertaken earthworks should negotiate a proportional based agreement when retaining walls are required along a common boundary.

Do Retaining Walls require Development Approval (Planning Approval)?
Development approval *is not required for retaining walls and/or site works if it complies with the following height and setback requirements:*

Height of site works and/or retaining walls	Required minimum setback
0.5m or less	0m
1m	1m
1.5m	1.5m
2m	2m
2.5m	2.5m
3m	3m

How long does the Development Application process take?

The Shire has 60 days in which to determine the application as stipulated in the Planning and Development (Local Planning Scheme) Regulations 2015. However, applications such as retaining walls normally have a quicker turn-around time.

Do I need a Building Permit from the Shire to construct retaining walls?
A Building Permit *is required to be obtained from the Shire of Dalwallinu where any retaining exceeds 0.5m in height.* Construction across property boundaries is permitted only with written agreement from all affected neighbours.

Maintaining Retaining Walls

Owners are responsible for ensuring their retaining walls remain structurally sound. Should the Shire deem a retaining wall structurally inadequate, the owner must engage a practicing structural engineer to assess the situation.

Based on this assessment, the engineer will determine the necessary actions, if any, to restore the wall's structural integrity. The cost of consulting a structural engineer falls solely on the owner.

Positioning of Dividing Fences near Retaining Walls

A dividing fence is to be positioned on the higher ground of a retaining wall which abuts a common boundary.

If you are unsure of anything in relation to your build please call into the Shire and speak to Doug Burke before you proceed. It is better to obtain the correct information prior to commencement of any project. Phone on 08 9661 0500 or email to mpds@dalwallinu.wa.gov.au.

Dalwallinu Medical Centre response on Mammograms

As a response from Dalwallinu Medical Centre, we would like to emphasize the crucial role of mammograms in women's health. Mammography is a proven tool in the early detection of breast cancer, significantly improving treatment outcomes and reducing mortality rates. Below, we provide key points supported by research that highlight its importance.

- **Reduction in Mortality:** Studies have demonstrated that regular mammography screening can lower the risk of dying from breast cancer. For instance, women aged 60 to 69 who underwent mammograms had a 33% reduced risk of breast cancer mortality compared to those who did not. (Source: [komen.org](https://www.komen.org))
- **Early Detection:** Mammograms can identify tumors that are too small to be felt, detecting changes in breast tissue as minute as grains of sand. This early detection is vital, as it allows for intervention before the cancer progresses, potentially leading to more effective and less aggressive treatments. (Source: [medstarhealth.org](https://www.medstarhealth.org))
- **Sensitivity and Accuracy:** Screening mammography is effective at finding breast cancer, especially in women aged 50 and older, with an overall sensitivity of about 87%. This means mammography correctly identifies about 87% of women who have breast cancer. (Source: [komen.org](https://www.komen.org))
- **Impact Across Age Groups:** Evidence indicates that mammography screening benefits women across various age groups. For example, women aged 50 to 69 who participated in regular screenings experienced a 25% to 31% reduction in breast cancer mortality. (Source: pubmed.ncbi.nlm.nih.gov)

In conclusion, we strongly advocate for regular mammograms as an essential practice for women. Early detection significantly enhances the chances of identifying breast cancer in its early stages, leading to better survival rates and improved treatment outcomes.

Volunteer Bushfire Registrations

With fire season upon us, to ensure we comply with WHS and Shire processes, please ensure that you are a Registered Volunteer with the Shire of Dalwallinu and have undertaken the Shire induction. The registration process is in two parts. The PART A online registration takes up to 10 minutes and the PART B Shire induction takes about 5 minutes.

We urge you to find 15 minutes of your time and complete these registrations to ensure you are compliant when attending fires. The registration also provides you with PPE. Registration is an important part of the Volunteer process. Please contact Hanna Jolly at the Shire for further information on (08) 9661 0500 or email her at mcs@dalwallinu.wa.gov.au.

Sit, stay, know: your guide to house sitting rights

Planning a trip and looking for someone to take care of the pets and water the house plant in the bathroom that's hanging on by a thread?

If you're thinking about bringing a house sitter into your home, there's a few things you'll need to consider to avoid coming back to distressed pets or missing items.

If you don't have the luxury of using a trusted friend or family member as a house sitter, make sure you use a registered business, so your rights are protected under the Australian Consumer Law (ACL).

Nothing beats word of mouth when looking to hire a professional house sitter so consider using personally recommended or industry recognised people. If you're looking for a person to specifically pet sit, ask your vet or an animal refuge for recommendations.

There are plenty of individuals and agencies offering house sitting services, so take some time to shop around and do your research. Read online reviews but don't rely solely on online testimonials. Ask for references you can personally contact as well. Businesses must not engage in misleading or deceptive conduct such as writing a fake review, asking or paying someone to write a review or hiding negative reviews.

Under the ACL, businesses providing house or pet sitting services must meet consumer guarantees. This means you should expect your sitter to look after your home and pets with due care and skill.

Consumer Protection is aware of horrible house sitters who have stolen belongings, brought other animals into the home and mistreated pets, resulting in massive vet bills.

Be aware that some websites offering house sitting services are actually intermediaries that connect sitters with homeowners. Make sure you read their terms and conditions carefully to know what rights you have and what background checks they conduct.

It is a good idea to ask to see a National Police Certificate and if the house sitter or the agency has insurance. Check what is and is not covered should something go wrong.

While your own home and contents insurance might cover accidental loss and damage, many policies have exclusions for deliberate damage and theft caused by people lawfully invited onto your property, such as cleaners, sitters and their guests. For peace of mind, contact your insurer to discuss whether your cover can be modified to accommodate someone else living or working in your home.

Consumer Protection provides a free telephone service to consumers and business people on their rights and obligations under the Australian Consumer Law - for more information, call us on 1300 30 40 54 or visit www.consumerprotection.wa.gov.au.

Active April 2025

MONDAY

TUESDAY

1 Commit to being more active this month, starting today

WEDNESDAY

2 Spend as much time as possible outdoors today

THURSDAY

3 Listen to your body and be grateful for what it can do

FRIDAY

4 Eat healthy and natural food today and drink lots of water

SATURDAY

5 Turn a regular activity into a playful game today

SUNDAY

6 Do a body-scan meditation and really notice how your body feels

7 Get natural light early in the day. Dim the lights in the evening

8 Give your body a boost by laughing or making someone laugh

9 Turn your housework or chores into a fun form of exercise

10 Have a day with less screen time and more movement

11 Set yourself an exercise goal or sign up to an activity challenge

12 Move as much as possible, even if you're stuck inside

13 Make sleep a priority and go to bed in good time

14 Relax your body & mind with yoga, tai chi or meditation

15 Get active by singing today (even if you think you can't sing!)

16 Go exploring around your local area and notice new things

17 Be active outside. Plant some seeds and encourage growth

18 Try out a new exercise, activity or dance class

19 Spend less time sitting today. Get up and move more often

20 Focus on 'eating a rainbow' of multi-coloured vegetables today

21 Regularly pause to stretch and breathe during the day

22 Enjoy moving to your favourite music. Really go for it

23 Go out and do an errand for a loved one or neighbour

24 Get active in nature. Feed the birds or go wildlife-spotting

25 Have a 'no screens' night and take time to recharge yourself

26 Take an extra break in your day and walk outside for 15 minutes

27 Find a fun exercise to do while waiting for the kettle to boil

28 Meet a friend outside for a walk and a chat

29 Become an activist for a cause you really believe in

30 Make time to run, swim, dance, cycle or stretch today

PUMPKIN SCONES

Traffic light category: **Amber**

Serves: 12-24 (60g max serve)

Ingredients

- 2 cups self raising flour
- ½ teaspoon ground nutmeg
- 60g polyunsaturated margarine
- ½ cup reduced fat milk
- ¾ cup cooked mashed butternut pumpkin (skin removed)
- 2 tablespoons parmesan cheese, finely grated Pinch paprika
- Pumpkin seeds (optional)

Method

1. Preheat oven to 220°C, line baking tray with grease proof paper
2. Sift flour and nutmeg into a large bowl
3. Using your fingertips, rub margarine into flour until mixture resembles breadcrumbs
4. Make a well in the centre, add milk and pumpkin. Mix with a flat-bladed knife until mixture forms a soft dough, adding more milk if required.
5. Turn onto a lightly floured surface, knead gently until smooth
6. Pat dough into a 2cm thick round. Using a 5cm (diameter) round cutter, cut out 12 rounds for large scones or use a 2.5cm cutter for 24 mini scones
7. Place scones, just touching onto prepared baking tray
8. Mix parmesan cheese and paprika in a small bowl, sprinkle on top of scones, top with two or three pumpkin seeds if using
9. Bake for 20 minutes for large scones 12 minutes for mini scones or until golden and well risen.
10. Transfer to a wire rack to cool.

MENTAL HEALTH AND WELLBEING TIPS:

GET ENOUGH SLEEP AND REST

Sleep affects our physical and mental health and can be the first thing we trade in when we get busy or stressed.

SCHEDULE TIME FOR THINGS YOU ENJOY

Balance in life is important, so taking time out for things you enjoy can make a difference to how you think and feel.

BE ACTIVE AND EAT WELL

Our physical and mental health are closely linked, so ensure that you are exercising and eating nutritious food.

NURTURE RELATIONSHIPS AND CONNECT WITH OTHERS

Our connection to others is what keeps us strong, especially during challenging times. Ensure you have people to connect with (face-to-face, over the phone or virtually).

ENSURE YOU ARE ADOPTING STRATEGIES TO MANAGE YOUR STRESS LEVELS

If you have are having trouble relaxing or managing intrusive thoughts, the websites below provide an array of tips and tools that can assist you.

MAKE A 'TASKS LIST'

Break large tasks into smaller, more manageable tasks which can be prioritised in order of importance.

FOCUS ON WHAT YOU CAN CONTROL

Direct your time, energy, and resources towards things you have direct influence over, rather than things outside of your control (weather/climate, government regulations, commodity markets).

BRING OTHERS TO THE TABLE

Another set of ears and a logical brain can help with processing and retaining information.

KEEP THE LINES OF COMMUNICATION OPEN

Schedule regular farm business meetings and don't avoid making decisions.

KEEP IN REGULAR CONTACT WITH INDUSTRY PEERS, GROWER GROUPS AND CONSULTANTS

They are sources of trusted and valuable information and can also be a good social connection.

PREPARE AND PLAN FOR THE UNEXPECTED

Contingency planning can avoid further stress.

BE AWARE OF THE RISKS ASSOCIATED WITH BEHAVIOURS OR COPING STRATEGIES THAT ARE UNSAFE AND PUT YOURSELF AND OTHERS AT RISK

Unsafe alcohol consumption, misuse of prescription medication and use of illicit drugs.

TAKE TIME TO PAUSE, BREATHE AND REFLECT

A simple moment of reflection helps us connect our minds with our feelings. It enables us to connect what's happening around us with what's going on in our heads and hearts. Taking the time to ask the right questions of ourselves, and time to get a thoughtful answer, gives us perspective, direction and clarity. By taking time to pause and slow down our breathing (deep circular breaths), we slow down a racing heart, reducing the symptoms of stress headaches and muscle tension.

PARTAKE IN HELP SEEKING BEHAVIOURS

Please see below for information on Support Services and Helplines available.

ORGANISE AN INFORMATION SESSION OR WORKSHOP:

Increasing your own and others understanding of the risks, protective factors, unsafe/risky behaviours, coping strategies, wellbeing, and community resilience is a powerful tool in improving empathy, connections and the overall safety within a community. Please contact Holyoake's Prevention Team if you would like to organise an information session or workshop for your community. Email JDrayton@holyoake.org.au or Jordyn.Drayton@holyoake.org.au
